…Respondent/s

HON'BLE SRI JUSTICE C.V. RAMULU

WRIT PETITION No.29156 of 1998

O R D E R :

This writ petition is filed seeking a Writ of Mandamus declaring the action of the respondents herein in not depositing the compensation amount awarded in O.P.No.146 of 1991 and batch, dated 19-4-1994, as enhanced in A.S.No.886 of 1994 and batch, dated 19-8-1996 as arbitrary and illegal.

There is no necessity of going into all the details. While admitting the writ petition, this Court passed the interim order on 22-10-1998, which reads as under:

> "Ordinarily, this Court does not grant main relief itself by way of interim order. But here is an exception. There is no controversy between the parties that the lands of the petitioners are acquired by the State authorities and the State authorities are under a legal obligation to pay the compensation. There is also no controversy between the parties that the petitioners have also filed petitions before the Civil Court seeking execution of the decrees in the O.Ps., but they failed to realize the compensation. If this is the state of affairs and the land owners, who are deprived of their land, are not yet paid the lawful compensation to which they are entitled to, the Court has to step in and protect their interest.
>
> For the above reasons, interim direction as prayed for is granted.
>
> The direction shall be carried out within a period of four weeks from the date of receipt of a copy of this order.
>
> Notice."

In view of the above interim orders, no further orders are necessary in this writ petition.

The writ petition is accordingly closed.
